Faith Baptist Bible College

2017-2018

Faithful attendance and service at a local church are important parts of your education at Faith.

In the classroom you will learn Bible, theology, and ministry skills. In your church you have the opportunity to put your knowledge into practice and further develop your ministry skills.

While you serve in a church, remember that you are ministering to people with real needs. You have the privilege of helping people come to know Christ and then grow in their Christian faith.

Pour your heart into your church ministry. Be faithful in your responsibility. Pray for the people with whom you work.

“Therefore, my beloved brethren, be steadfast, immovable, always abounding in the work of the Lord, knowing that your labor is not in vain in the Lord.”
1 Corinthians 15:58
