Faith has separate Residence Halls for women and men. Each room is part of a “suite” that will share a bathroom. Each suite will typically have four students. Students are allowed to bring one compact fridge and one small bookshelf, or a similar-sized item.

All residence halls are equipped with the following:

**SUITES**
- Dresser
- Twin bed (extra-long)
- Bookshelf
- Desk chair and desk
- Kitchen with range
- Full-sized refrigerator
- Laundry facilities with quarter washers and dryers

Residence halls are supervised by Resident Advisors and their assistants. Each room or suite has a Room Leader appointed to help with communication, accountability, and more.
